OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

*Dated, Bangalore, the* 30 ~~191~~ Sept: 18.

FROM

M. N. KRISHNA RAO, ESQ., B.A.,
*Offg. Comptroller to the Government of His Highness the Maharaja of Mysore.*

To - amantrapravina
.....Dewan Bahadur J.S. Chakravarti....., ESQ., M.A.,F.R.A.S.,
*Secretary to the Government of Mysore,*
.....F.I.N.A.N.C.I.A.L...*Department.*

I have the honor to request orders of Government as to whether it is necessary to submit to Government as at present both the original of the Mysore Government Royalty monthly Account with Messrs: Coutts and Co., London, and also the copy of the Cash Book maintained in this office and whether the submission of the copy of the Cash Book may not be discontinued with effect from the official year 1918-19. If the discontinuance of the latter is approved, there will be some saving of clerical labour in this office, and the original account sent will afford all necessary particulars required for the information of Government. It does not appear to me that any useful purpose will be served by keeping in the Secretariat a copy of the Cash Book based on Messrs: Coutts and Co's accounts. These accounts are like other Treasury or Bank Accounts and no copies of the latter are submitted to Government. I therefore request early orders in the matter

I have the honor to be,
Sir,
Your most obedient servant,

MT/28-9. Comptroller.

Please address all future communications to the Comptroller to the Govt. of H. H. the Maharaja of Mysore.
In reply to this Comn. please refer to

SIR,

I have the honor to request orders of Government as to whether it is necessary to submit to Government as at present both the origina of the Mysore Government Royalty monthly Account with Messrs: Coutts and Co., London, and also the copy of the Cash Book maintained in this office and whether the submission of the copy of the Cash Book may not be discontinued with effect from the official year 1918-19. If the discontinuance of the latter is approved, there will be some saving of clerical labour in this office, and the original account sent will afford all necessary particulars required for the information of Gover ment. It does not appear to me that any useful purpose will be served by keeping in the Secretariat a copy of the Cash Book based on Messrs: Coutts and Co.s accounts. These accounts are like other Treasury or Bank Accounts and no copies of the latter are submitted to Government. I therefore request early orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.
